Thanks to the landowners for the use of their land -I think you'll agree it is a great venue for such an event!
 Thanks to Alvin Harrison and his team for organising & marking out this trial and to all the observers for helping to make it such a successful day.
 Hope to get your support at our next open trial on 8th August at Hall Farm Farndale.

Alvin Harrison has decided to stand down after having been involved with Hull Auto Club for around 25 years. During this time, has been instrumental in getting several trials venues for us and has marked out many trials. We thank him for his efforts and give him good wishes for the future.

Jim Austeruhle Hull Auto Club Chairman
